

## THE WORLD IN WILTSHIRE WARMINSTER SCHOOL

### THE DETAILS

The cost will be £350 per pupil per week (7 nights), under the following conditions:

#### The price for the week includes:

- food and lodging (including all meals, to be taken in the school dining room, snacks in the boarding house, and use of sheets, duvets and towels).
- one half-day excursion to Stonehenge, one full-day excursion to Bath (packed lunch supplied for the full-day excursion).
- the visiting pupils being integrated into normal Warminster School life; it may not always be possible to include pupils in specific subject lessons, but this can be discussed before arrival.
- Lessons will include sport and PE, and visiting pupils will be expected to join in all activities that Warminster School pupils undertake.
- a one hour English lesson given to the French pupils by one of the Warminster teachers during the week (2 lessons in the case of a two week stay).

#### Please note:

Visiting groups must be accompanied by their own teacher(s).

Only one visiting group at a time can be accommodated.

Visiting groups should be made up of pupils in Primero or Segundo de Bachillerato in their Spanish school, and can be of any number up to 18. For 8 to 13 pupils there is one free teacher place. (In this case, if a second teacher is to come, there will be a cost for that person of £165.) For 14-18 pupils there are two free teacher places.

English pupils in Years 12 and 13 are expected to carry out regular independent study in order to reinforce and improve their learning and to encourage them to realise that without personal engagement real learning cannot take place; for this reason they have a certain number of “study periods” during a school week. This may seem odd to pupils from Spanish schools where they usually have timetabled lessons during every period. It will also mean that, in order to have the full experience, visiting pupils will have one or two “study periods” built into their timetable, and during these periods they must go to the upstairs workroom in the Library where they must work silently alongside their English peers.

Teachers from the visiting school are responsible for their pupils at all times except during lessons. No visiting pupils are allowed to be in the boarding house if there is not at least one of their teachers on the premises.

The price does not include transport to and from the school at the beginning and end of each visit, although for a small extra cost Warminster School can arrange bus transport from **Bristol Airport** to the school and back. Please contact us (see below) if you would like this service. For transport from airports further away, we can also liaise with the bus company that the school uses and they will give you a quote for the transfer from airport to school and back.

A 10-day or a 2-week visit is also possible – please contact us (see below) to discuss this; the price of the 10 day option is £490 per pupil, and the cost of a 2-week stay is £625 per pupil.

**In order to secure your booking, the school requires a non-refundable deposit of half of the total price in advance, the other half to be paid at the end of your stay.**

Visiting groups may choose any 7, 10 or 14 day period, according to availability.

**Please contact Mrs Fran Rodríguez for a list of currently available dates.**

“Ha sido mil veces mejor que un curso de idiomas. Me encantaría quedarme todo el año.

Todo el mundo aquí es genial. Super amables y siempre dispuestos a ayudarte. Muy muy majos.

Me sentí muy nervioso el primer día, pero para el segundo día ya me sentía uno más del cole, resulta fácil integrarse.”
